

Strategic Plan Goals 2015

Student learning is supported by a personally relevant curriculum where problem solving, communication, and critical thinking extend beyond the classroom.

Students use academic, technical, social, and creative skills to innovate and solve personally meaningful real-world problems in a global context.

Educators are known as leaders in Connecticut and nationally, for distinguished practices and for being committed to creating a caring, collaborative educational family, while fostering innovation.

Colchester School District enhances innovative instruction with a 21st century digital learning environment.

Colchester School District embraces partnerships with parents and caregivers, and community members to support learning while fostering pride and excitement for the well-being of all students.

Colchester School District will enhance its facilities and technologies supporting innovative teaching and learning.
