June 7, 2010

Dear Colchester Educator/Civic Organization Leader:

The Colchester Learning Foundation (CLF) is excited to announce solicitation of a second round of grant proposals. The CLF was formed in 2008 by a group of citizens for whom education is a priority. Our mission is to support and promote innovative and creative educational opportunities for Colchester residents of all ages. Since 2008 we have been working to raise funds to sponsor educational events and activities. Grants will be funded up to \$500 each.

What we are looking for:

- Projects that are creative or innovative and enhance the curriculum/program.
- Projects that are not funded through the regular budget process.
- Projects that have the potential to benefit the largest number of people.
- Projects that will be completed during the 2010-2011 academic year or, for grants to civic organizations, during the 6 month period following the award.

Here is how easily it works:

1. Download the application packet from our web site www.colchesterlearningfoundation.org.
2. Complete and submit the packet to us, packets must be **received by September 7, 2010**. Packets may be mailed to P.O. Box 215, Colchester, CT 06415.
3. Awards will be announced **October 12, 2010** at the Colchester Board of Education Meeting. Recipients or a designated representative must be present to accept the grant.

We look forward to receiving your submission and fulfilling our mission of enhancing the educational opportunities available to citizens of all ages in the town of Colchester.

Sincerely,

Fred Brown
President, Colchester Learning Foundation
