

# Board of Education Survey Regarding Masks

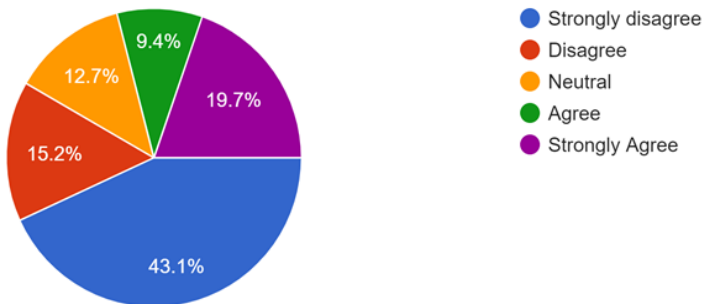

I believe masks should be optional in all classrooms for students and adults.  
913 responses

I believe masks should be optional based on metrics and guidance by the CT Department of Public Health.  
912 responses

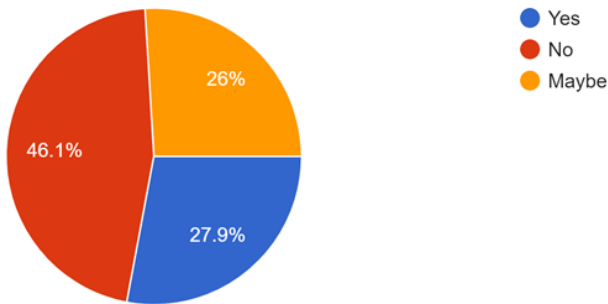

I believe masks should be mandated through a specific day such as Spring break or until the end of this school year to give parents more time to decide what is best for their child.  
909 responses

If my district goes mask optional, I/my child/children will continue to wear a mask.

909 responses

I believe my mask choice will be respected by all stakeholders.
