ARTICLE 1

Preamble

The Board of Education of the Town of Colchester and the Colchester Federation of Teachers, Local # 1827, AFT-Connecticut, AFL-CIO, agree and recognize that they have an interest in educational excellence that is far beyond the scope of a collective bargaining Agreement governing terms and conditions of employment. The Board of Education and the Colchester Federation of Teachers wish to declare their mutual intent to work toward the achievement of common aims as follows:

- A. The formulation of realistic goals and programs consistent with the best educational theory.
- B. The development of a system of communication and consultation designed for more harmonious relations of parties concerned as well as to expedite business to a fruitful conclusion.
- C. It is hoped that this common effort will contribute in significant measure to the advancement of public education in the Town of Colchester.

ARTICLE 2

Recognition

The Board recognizes the Federation as the exclusive bargaining agent for all persons to teach employed under a duration shortage area permit and certified professionals, including, but not limited to adult education and summer school instructors, who are employed by the Board in positions requiring a teaching certificate and are not included in the administrator's unit or excluded from the purview of Connecticut General Statutes §10-153a, et. seq., as amended from time to time.

ARTICLE 3

Fair Practices

The Board agrees not to discriminate against any teacher on the basis of race, creed, color, national origin, age, sex, sexual/affectional preference, marital status, disability, pregnancy, genetic information, gender identity or expression, or membership or participation in, or association with, the activities of any teachers' organization, except in

the case of a bona fide occupational qualification. This section is for informational purposes only.

ARTICLE 4
Board Prerogatives

- A. It is recognized that the Board has and will continue to retain, whether exercised or not, the sole and unquestioned right, responsibility and prerogative to direct the operation of the public schools in the Town of Colchester in all its aspects, including but not limited to the following: to maintain public elementary and secondary schools and such other educational activities as in its judgment will best serve the interests of the Town of Colchester; to give the children of Colchester as nearly equal advantages as may be practicable; to decide the need for school facilities; to determine the care, maintenance and operation of buildings, lands, apparatus and other property used for school purposes; to determine the number, age and qualifications of the pupils to be admitted into each school; to employ, assign and transfer teachers; to suspend or dismiss the teachers of the schools in the manner provided by statute; to designate the schools which shall be attended by the various children within the town; to make such provisions as will enable each child of school age residing in the town to attend school for the period required by law and provide for the transportation of children wherever it is reasonable and desirable; to prescribe rules for the management, studies, classification and discipline for the public schools; to decide the textbooks to be used; to make rules for arrangement, use and safekeeping of the school libraries and to approve plans for school buildings; to prepare and submit budgets to the Town of Colchester and, in its sole discretion, expend monies appropriated by the town for the maintenance of the schools, and to make such transfers of funds within the appropriated budget as it shall deem desirable. These rights, responsibilities and prerogatives are not subject to delegation in whole or in part, except that the same shall not be exercised in a manner inconsistent with or in violation of any of the specific terms and provisions of this contract. The Board's right to make policy with respect to such rights, responsibilities and prerogatives, other than as there are specific provisions herein elsewhere contained; shall not be subject to the grievance and arbitration provisions of this contract.
- B. This contract shall be applicable to all board-sponsored programs.

ARTICLE 5
Grievance Procedure

The purpose of the grievance procedure is to secure, at the lowest possible administrative level, solutions to any problem which may arise.

A. Definitions:

1. A "grievance" shall mean a complaint by a grievant that (1) he/she has been treated unfairly or inequitably or (2) there has been a violation, misinterpretation or misapplication of the provisions of this contract or (3) that there has been an alleged failure to follow the established procedures of the teacher evaluation program.
2. As used in this Article the term "grievant" shall mean either (1) an individual teacher, (2) a group of teachers having the same grievance, or (3) the Federation. Such grievances shall be processed at all steps by using testimony of affected individual(s) whether or not they are named grievant(s).
3. As used in this Article, the term "days" shall mean calendar days, exclusive of holidays, weekends, and vacation periods during the school year.

B. Procedures:

1. A grievant and a Federation Representative (if the grievant so desires) shall first discuss the grievance with the grievant's immediate administrative supervisor.

a. Step 1: Supervising Administrator

If the matter is not satisfactorily adjusted within five (5) days, the grievant shall tell his/her administrator of his/her intent to submit it in writing within seven (7) days to the grievant's supervising administrator, who may adjust the grievance or refer the matter to the appropriate administrator who has the authority to adjust the grievance. Such written grievance must be filed within twenty-one (21) days of the date that the grievant knew or should have known of the act or circumstance giving rise to the grievance, except that an extension beyond twenty-one (21) days shall be given in cases of serious illness, but such extension shall not exceed twenty-one (21) days. The supervising administrator shall meet with the grievant and a Federation Representative and must render his/her decision in writing with copies to the grievant and the Federation,

within seven (7) days of the written submission to him/her by the grievant.

b. Step 2: Superintendent of Schools

Failing satisfactory settlement within such time limit, the grievant may within seven (7) days after receipt of the decision rendered at Step 1 appeal in writing to the Superintendent, and such writing shall set forth specifically the basis of the grievance. The Superintendent or his/her designee shall meet with the grievant and a Federation Representative within seven (7) days of receipt by him/her of such appeal and shall give his/her decision in writing to the teacher and the Federation within seven (7) days of such meeting.

c. Step 3: Board of Education

Failing satisfactory settlement within such time limit, the grievant may within seven (7) days after receipt of the Superintendent's decision at Step 2 appeal in writing to the Board, and such writing shall set forth specifically the basis of the grievance. The full Board, or a committee of the Board, shall meet with the grievant and a Federation representative at its next regular scheduled meeting or a special meeting within thirty (30) days from the date the grievance was submitted to the Board. The full Board, or a committee of the Board, shall render its decision in writing to the grievant and the Federation within seven (7) days of such meeting. For claims of failure to follow the established procedures of the teacher evaluation program, the Board of Education shall be the final step in the grievance procedure.

d. Step 4: Arbitration

- (1) If the decision of the Board does not resolve the grievance to the satisfaction of the Federation, the Federation only may submit the grievance to the American Arbitration Association for arbitration in accordance with its administrative procedures, practices, and rules. Whether or not previously indicated at earlier steps, the provisions of the contract which are involved shall be identified in the submission.
- (2) Notice of intention to submit to arbitration under subsection (1) above, must be in writing addressed to the Superintendent of Schools, and submission to the American

Arbitration Association must be made not later than twenty-one (21) days following receipt of the Board's decision.

- (3) The arbitrator shall hear and decide only one (1) grievance in each case. He/she shall be bound by and must comply with all the terms of the contract. He/she shall have no power to add to, delete from, or modify in any way any of the provisions of this contract.
- (4) With respect to grievances involving a violation, misinterpretation or misapplication of the provisions of this contract, the arbitrator's decision shall be final and binding. With respect to grievances involving unfair or inequitable treatment, the arbitrator's decision shall be advisory.
- (5) Fees and expenses of the arbitrator shall be borne equally by the Board and the Federation.

C. General Provisions:

1. A grievant may be represented at any step of this grievance procedure by any person of his/her choice provided, however, that such person shall not be an official or a representative of any other teacher organization. When a grievant is not represented by the Federation, the Federation shall have the right to be present and to state its views at all steps of the grievance procedure.
2. Nothing contained herein shall be construed to prevent any individual employee from informally discussing a complaint with his/her immediate supervisor or processing a grievance in his/her own behalf in accordance with the grievance procedure through Step 3 (Board of Education).
3. Meetings held under this procedure shall generally be conducted on non-school time at a place which will afford a fair and reasonable opportunity for all persons proper to be present and to be heard. If, at the option of the Board, hearings are held during school hours, persons necessary to resolution of the matter shall be excused without loss of pay. Meetings held under Steps 1 and 2 of the Procedures of this Article shall be held on days when school is in session. If the time limits for such meetings fall on days when school is not in session, excluding summer vacation days, the applicable time limit shall be extended to the second school day thereafter or otherwise as mutually agreed in writing.
4. All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.

5. Failure of the grievant at any step to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the last decision rendered.
6. Failure of the Administration or the Board to render a decision within the specified time limit shall be deemed a denial of the grievance submitted, and the grievant may proceed to the next step within the time limit which would apply if a written denial had been rendered on the day on which the time period for response expired.
7. The hearings at any step of the grievance procedure shall include only those persons permitted above and their witnesses.
8. If the days for filing or appealing a grievance to the next step, set forth in Steps 1-4 of the grievance procedure, fall within a scheduled school vacation period, excluding summer vacation, the time limits shall automatically be extended to the first school day following the vacation period.
9. No reprisals of any kind shall be taken by any member of the Board or Administration against any participant in the grievance procedure by reason of such participation.

ARTICLE 6 Consultation Procedure

- A. It is recognized by the Board and the Federation that all situations and developments could not be anticipated at the time of negotiations of this document. To achieve rapport between the Board and the Federation, periodic, informal meetings shall be held when necessary between the negotiating groups of each organization as requested by either the Federation or the Board.
- B. The Board retains the sole right to determine, implement and/or change all policies affecting the school system. The Board will provide the Federation with copies of any such changes within thirty (30) days of making the change. The Federation may demand to bargain over the impact of any change during the term of this contract that significantly affects salaries or other conditions of employment, in accordance with Connecticut General Statutes § 10-153a, et. seq., as amended from time to time.

 2. No later than the one-hundred twenty-first (121st) consecutive day, said teacher shall be paid in accordance with Article 28 (Placement on the Salary Plan) and shall be entitled to all contract benefits, including insurance benefits. Coverage for such insurance benefits shall be instituted as soon as practicable in accordance with the terms of the carriers and administrators of the insurance plan.
 3. "Days" for this Article and section only shall mean actual days that the substitute is covering the class.

ARTICLE 8

Teachers shall remain in the building a specified number of minutes after the close of school for consultation with parents, teachers and administrators who have made prior appointments and to provide extra help for those students seeking such help. Professional responsibility dictates that teachers shall make themselves available to meet the needs of their students. Except as consistent with professional responsibility, at no school will the total number of scheduled minutes before and after school exceed thirty-five (35) minutes. The distribution of these minutes shall be determined by the administration at each school. The work day shall also include the time necessary for the fulfillment of supervisory and detention duties consistent in extent with established practice, provided that teachers on bus duty shall remain on bus duty until the last bus has left. Upon request of either party, there shall be further discussion of late bus issues.

- D. Requests for leave, made after the close of the school year, with the exception of sick leave, or release from contractual obligations shall be made prior to August 1.
- E. Prior to scheduling professional development activities which teachers are required to attend outside the student work day, the Board shall consult with the Federation. Such consultation shall be without prejudice to any rights the Federation or the Board may otherwise have under Connecticut General Statutes §10-153d or §10-153f(e).
- F. Professional staff may be required to attend between one (1) and three (3) evening meetings per year.

- G. Professional staff may be required to attend between two (2) and four (4) faculty meetings per month for a total time of between fifteen (15) and thirty (30) hours annually outside the regular workday.

ARTICLE 9
Teacher Programming

- A. Teachers (Grades 6-12) shall not be required to teach more than three (3) subjects nor make more than three (3) teaching preparations within said subjects at any time. These limitations shall apply to all classes, both elective and required, in the following academic subject areas: social studies, science, mathematics, English (hereinafter defined for this Agreement as "core academic subject areas.") Should revisions in the curriculum necessitate changes in the above, the Board will negotiate the impact of such changes with the Federation. Assignment to the mentor/advisory program during the homeroom/advisory period shall not be considered a teaching assignment or teaching preparation.
- B. Teachers (Grades 6-8) shall be assigned an equivalent amount of instructional time to four (4) teaching periods, an equivalent amount of instructional time to two (2) administrative periods (which may include a team planning period, and an equivalent amount of instructional time to one (1) preparation period per teaching day). Teachers (Grades 9-12) shall be assigned five (5) teaching periods, two (2) administrative preparation periods per teaching cycle. Should changes in the curriculum necessitate changes in the above, the Board will negotiate the impact of such changes with the Federation. In long range assignments, an individual teacher, if he/she desires, may substitute a teaching period for the administrative periods. Any teacher who, when requested by the administration, agrees to teach a sixth class requiring an additional preparation, shall be paid an annual stipend of seven thousand five hundred dollars and no cents (\$7,500.00). Any teacher who, when requested by the administration, agrees to teach a sixth class which is an additional section of one of the teacher's existing classes (leading to a class load of six classes), shall be paid an annual stipend of five thousand dollars and no cents (\$5,000.00). These payments shall be pro-rated for classes that meet less than full time or less than a full year.
- C. Teachers should be notified in writing of their tentative program assignments for the coming year, including the school to which they will be assigned, the grade and subjects they will teach, on or before June 1. In the event of an unanticipated change in staff, including the resignation, termination or death of an employee, during the summer months, every attempt to the extent possible will be made to notify those teachers whose schedule will change as a result. Notification is to be made in writing as soon as the change occurs. Those teachers involved shall be given the opportunity to meet with the principal for possible readjustment of their schedules.

- D. In arranging schedules for teachers who serve more than one (1) school, an effort shall be made to limit the amount of inter-school travel. Such professional staff shall be notified of any changes in their schedule as soon as practicable. Such teacher shall receive compensation at a rate equal to the IRS tax deduction allowance as documented unless transportation is provided.
- E. On full session days, all teachers shall have at least one (1) preparation period per day.
- F. Preparation periods are those periods which the teacher uses to fulfill his/her responsibilities to his/her classes.
- G. All teachers shall have an uninterrupted duty-free lunch period at least the same length as the students.
- H. In scheduling teachers who use more than one (1) teaching station, effort will be made to minimize the number of rooms teachers shall be required to use.
- I. Part-time teachers employed by the Board shall share in all the duties and responsibilities as provided for in this Agreement on a pro-rata basis. Part-time teachers employed by the Board will be required by the Superintendent or designee to attend all professional development programs, without any additional pay. Part-time teachers shall be required to attend all meetings scheduled beyond the work day on any day on which they are scheduled to work, without any additional pay. In the event that a part-time teacher is asked to attend a meeting on a day that he/she is scheduled to work, but the meeting time is not contiguous to his/her regularly schedule working day, the administration shall excuse the attendance of the teacher for that date if the teacher notifies the administration in writing that he or she has a conflict and cannot attend. In the event that a part-time teacher is asked to attend a meeting on a day that is not a scheduled working day, and the part-time teacher agrees to attend, the part-time teacher shall be paid for such additional meeting time at his/her per diem rate, applied pro-rata on an hourly basis. In scheduling part-time teachers, every reasonable effort shall be made to schedule the teaching periods contiguously.
- J. Should the Board restructure the student day, the Board shall provide written notice of the proposed restructuring, and within thirty (30) days the Federation may demand to bargain the impact of such restructuring. Should the Federation demand to bargain, the Board agrees to negotiate the impact in accordance with Connecticut General Statutes, § 10-153f(e).

- F. Whenever it becomes necessary to transfer teachers, such transfers shall be made in the following manner:

In the event the employee desires to have a Federation Representative present, it is understood that the conference may be scheduled so as not to interfere with the academic activities of the Federation Representative. ("Demotion" shall not be interpreted to mean the movement of a teacher from one grade level to another.)
- E. All teachers who are not members of the Colchester Federation of Teachers shall be required to pay an agency fee to the Colchester Federation of Teachers, set in accordance with law, not more than its dues. The agency fee shall be deducted from paychecks in the same manner in which dues are deducted. The Federation shall hold the Board harmless against any and all claims, demands, liabilities, lawsuits, counsel fees or other cost which may arise out of, or be by reason of, the administration or enforcement of the provisions of this section.

The Board makes no representation or guarantees as to the initial or continued viability of such a salary reduction agreement, and shall incur no obligation to engage in any form of impact bargaining in the event that a change in law reduces or eliminates the tax-exempt status of employee insurance premium contributions. So long as the Board makes a good faith effort to comply with this paragraph, neither the Federation or any teacher covered by this Agreement shall make any claim or demand, nor maintain any action against the Board or any of its members or agents for taxes, penalties, interest or other cost or loss arising from a flaw or defect in the salary reduction agreement, or from a change in law which may reduce or eliminate the employee tax benefits to be derived therefrom.

The parties recognize that the excise tax may go into effect prior to 2020 and that the timing of the imposition of the tax is not within the parties' control. In the event that the tax is scheduled to go into effect during the term of this Agreement, the parties agree to commence negotiations in accordance with the Teacher Negotiation Act, to determine insurance provisions for the contract year in which the excise tax goes into effect. During such negotiations, the parties will reopen this Article (including the related appendices of the contract) for the purpose of addressing the impact of the excise tax and negotiating insurance benefits. No other provision of the contract shall be reopened during such negotiations.

Layoff and Recall

- A. No tenured teacher (as defined in Section 10-151(b) of the Connecticut General Statutes as amended) shall be laid off when a position exists which is either vacant or occupied by a non-tenure teacher and for which the tenured teacher is certified.

In the event that it becomes necessary to reduce the teaching staff, the following procedure shall be followed in identifying the teacher whose contract is to be terminated:

1. Non-tenured teachers in the affected certification areas shall be terminated before tenured teachers on a system-wide basis.
2. Among tenured teachers in the affected certification area(s), the least senior teacher within the following categories shall be terminated:

- a. Elementary (Kindergarten through Fifth Grade)
 - b. Middle (Sixth Grade through Eighth Grade)
 - c. Secondary (Ninth Grade through Twelfth Grade) within the department in which the position is eliminated.
 - d. K-12 certified positions (e.g., speech and language pathologist, social worker, school psychologist, special education teacher, reading specialist, physical education teacher, music teacher, art teacher)
3. A teacher who would otherwise be terminated from one of the four categories set forth above shall be entitled to displace a less senior teacher at another level if the teacher is certified and qualified for said position.
- B. It is understood that a layoff is a termination of employment subject to administrative and/or judicial review in the manner set forth in §10-151 et seq. of the Connecticut General Statutes as amended, and in no other manner. - D. No new employee shall be hired to fill a position for which an employee on the reappointment list is certified. In cases where more than one (1) employee on the reappointment list is certified or immediately certifiable for a particular position to be filled, seniority shall be the determining factor in the recall process.
- E. No employee who has been laid off shall be entitled to payment or accrual of any compensation or fringe benefits, whether or not he/she remains on the reappointment list. However, an employee who is re-appointed from the list shall be entitled to reinstatement of any benefits earned or accrued at the time of layoff, and further accrual of salary increments and fringe benefits shall resume where they left off. No years of layoff will be credited as years of service for compensation or retirement purposes.
- F. Seniority shall be the determining factor in layoffs for tenured employees. For non-tenured employees, if in the judgment of the Superintendent, non-tenure teachers under consideration for layoff have similar skill, qualifications and

ability, then those having least years of continuous service in Colchester will be released first.

- G. The provisions of this Article shall not apply to holders of durational shortage area permits, who are employees at will.

The Board will contribute a percentage of the applicable HDHP deductible amount into a teacher's HSA account, as set forth below. For plan participants who may not be eligible (Medicare enrolled or receiving benefits from TriCare or VA) for a HSA contribution, the Board shall make available a HDHP/HRA plan with the same deductible funding as received by HSA participants. The parties acknowledge that the Board's contribution toward the funding of deductible for the HDHP plan by contribution to a teacher's HSA (or HRA contribution) is not an element of the underlying insurance plan, but rather relates to the manner in which the deductible shall be funded for active employees. The Board shall have no obligation to fund any portion of the HDHP deductible (or HRA contribution) for individuals upon their separation from employment. Board contributions to a teacher's HSA (or HRA contribution) shall be pro-rated for a partial year of employment. In the event that a teacher gives written notice of his/her intent to leave the district, any further Board contributions to a teacher's HSA (or HRA contribution) shall reflect the pro-rated amount of the teacher's deductible funding through his/her last day of employment with the district.

In 2017-2018, the Board will contribute fifty percent (50%) of the applicable HDHP Plan deductible amount. For 2017-2018, the Board will make its contribution to a teacher's HSA (or HRA contribution) in one (1) payment on the following schedule:
