February 3, 2020

Dear Parents and Caregivers,

Colchester Public Schools continues to monitor the novel coronavirus that was first detected in Wuhan City, Hubei Province, China. There are now reports that numbers are growing in various international locations, including here in the United States.

At this time, there are no known cases of infection here or around New London County. We are working closely with Chatham Health and our district Medical Advisor, and will continue to monitor reports from the Centers for Disease Control and the Connecticut Department of Public Health.

Ensuring the safety of our students, staff, and families remains a priority for us all. We will continue to keep you updated based on any further reports or directives that we receive. Please see the attached document from the Connecticut Department of Public Health, "Novel Coronavirus (2019-nCoV) and You," for ways to protect yourself and your family from this and other viruses.

Sincerely,

Jeffrey E. Burt
Superintendent
