

FROM THE CES CAFETERIA

The following is a review for the current school year:

Regular lunch	\$ 3.00
Reduced lunch	.40
Regular breakfast	1.80
Reduced breakfast	.30
Milk	.65
Ice cream	1.00

Available Monday, Wednesday & Friday

Milk is included in the price of breakfast and lunch
Accounts are for breakfast and lunch only
Breakfast and lunch are offered on shortened days

Prepay system – I strongly urge parent/guardians to take advantage of this. Please send check/cash in an envelope with the child’s name and their teacher’s name on the envelope. When writing a check, please refrain from using a gel pen. The bank scanner is unable to detect the written legal amount. The food service program utilizes the Horizon/KidServe point of sale system. CES students are assigned a 5 digit PIN which remains with them throughout their Colchester system education. Unfortunately we do not have an online prepay system at this time. Children use their PIN whether they are prepaid, free, reduced or charging a meal. **Only meals can be charged.** When students charge, a phone call, email or a letter is mailed to the home. Please remind your child to have his/her lunch or lunch money with them each day. If there are any questions or concerns that you have, please contact me at school.

If your family has been approved for free or reduced lunches, the same applies to breakfast. If there is ever a change in a family’s financial status please don’t hesitate to contact me for a meal assistance application.

There is a lost and found bin located in the cafeteria by the stage if you think your child has misplaced something.

We are always in need of subs for our four kitchen facilities. Hours vary among the schools. This is an excellent opportunity to earn extra money while your child is in school and be home in time for them! If this sounds interesting or you would like more information please contact Leanne Ranheim, Lead Nutrition Coordinator at 860-537-9421, ext. 381.
