About Registration and Attendance

In order to provide focused and coherent programs, the Children's Department limits the size of each program. Children may join groups with open registration spots at any time during the session. Please notify the Children's Department if your child is unable to attend the first meeting due to family travel or illness, or your child's slot will be given to the next child on the waiting list.

Siblings and Multiples

Different age siblings may attend any program with their parent or caregiver, and we will ask if any sibling will attend regularly, so that they may also have a nametag. Siblings often enjoy each other's programs and are valued members of the group. However, please understand that each program is designed for the specific developmental needs, attention span, and motor skills of its designated age group.
