Good Morning,

Thank you again for your patience and cooperation as we address the growing issues surrounding our closure due to concerns over COVID19. We are planning on providing meals to students starting on Tuesday, March 17 and further details will be sent out tomorrow, Monday, on how and where meals can be obtained. In addition, we are actively planning for the possibility that the district will be closed for more than two weeks and we will need to deliver distance learning for our students. Further details on the educational programming will be sent by Friday, March 20.

Sincerely,

Jeffrey Burt
Superintendent
