

# JJIS **SPRING** 2019 AFTER SCHOOL CLUBS!

Dear Parents/Guardians:

Jack Jackter Intermediate School is offering a **Spring 2019** session of after school clubs. These clubs have always been tremendously supported and well received by students.

Our clubs offer the opportunity for all 3<sup>rd</sup>, 4<sup>th</sup> & 5<sup>th</sup> grade students to develop and pursue a variety of interests. In addition, it is our hope that students have the opportunity to enhance their social and intellectual development while participating in any of the clubs offered. There are many activities to choose from which challenge critical thinking, along with diverse athletic and artistic abilities.

Please review the student/parent pick-up procedures located on the student sign-up page.

My *sincerest* gratitude to the teachers, parents, and community members who instruct our after school clubs, thereby, making this program possible.

Most Sincerely,  
Mrs. Debbie Mientus
