

JACK JACKTER INTERMEDIATE SCHOOL

**All Jack Jackter Intermediate School students
are invited to join chorus.**

Chorus is an elective, however, does require that the student make a commitment to rehearse once a week during “flex time” (*8:40 to 9:10 AM).

Additionally, students who participate in chorus will be able to perform in both the holiday concert on December 12th, 2018, as well as the spring concert on May 14, 2019. Students may elect to sing in either concert or both so long as the music choral director is informed.

Students who participate in chorus do receive a grade for their participation and efforts. If interested, please have your child attend the first grade-level chorus gathering, which begins the week of September 17th*. We hope your child will consider signing on with this wonderful program. - *Mrs. Dostafer*
