Dear Ms. Lawrence,

Please accept our sincere thanks for your gift of \$1,012.41 to PJ Day for Kids. Your philanthropic leadership puts you in good company. As a member of the President's Circle, you are among a cadre of Connecticut Children's Medical Center's most generous donors who are vital to our mission of improving the physical and emotional health of children through family-centered clinical care, pediatric research and education and advocacy.

We are pleased to share that Connecticut Children's Medical Center has been named both a 2019 Best Children's Hospital and a 2019 Best Children's Hospital for Emergency Care by the Women's Choice Award. The Women's Choice Award is a nationally recognized, trusted referral source aimed at providing women one voice regarding the products and services they choose for themselves and their families, including pediatric healthcare. Add this recognition to Connecticut Children's place on the 2018-19 *U.S. News & World Report* "Best Children's Hospitals" list, and you can be assured that you are investing in an organization that is making a positive difference in the lives of children and their families.

These awards are a true testament to our high quality care and strategic focus on operational excellence. Of course, this kind of recognition wouldn't happen without the dedication, compassion and expertise of our team members who help to enhance the health and well-being of children all year long. On their behalf, I thank you.

Our President's Circle members are privy to special experiences and insights into what's happening at Connecticut Children's. Please mark your calendar for the next President's Circle breakfast: **Feb. 13, 2019.**

Sincerely,

Dianna Pategas
